## Empowering the Mentors

*“When Teachers learn the world learns too, for knowledge passed on is ever true.”*

Only when the teachers are equipped with skills can they guide the others. Keeping the guidelines of the DoE in mind the teachers were encouraged to attend regular workshops organised by the school not only through the CBSE portal but also through various Educational Agencies.

“Another Year has passed with stories of laughter and learning, of challenges and triumphs of achievements and yearnings. Every child a verse, each teacher, a guiding rhyme, together weaving a melody etched in the wheel of time. May the coming year be another chapter richer, brighter and ever more inspiring and prime.”
